Email : sathishnaikislavath@gmail.com

Mobile : 8074102531

Career Objective :

An organized and motivated fresher capable of logical thinking, multitasking, and time management and I work under pressure in all environments at a well-reputed organization to gain experience, exposure, and expand my knowledge.

Profile :

- A detail-oriented and multitasking professional with exceptional coding and development techniques having a bachelor of engineering degree in **computer science**.
- Deep understanding of software development environments and considerable talent in achieving critical solutions.
- Able to understand and implement modern operating systems.
- Excellent in presenting, communication skills, and making people understand.

EDUCATION :

○ Bachelor of Technology – Computer Science & Engineering:

Rajiv Gandhi University of Knowledge Technologies, AP IIIT R.K.VALLEY.

○ Pre-University Course(Higher secondary):

Rajiv Gandhi University of Knowledge Technologies, AP IIIT R.K.VALLEY.

○ SSC:

Zilla Parishad High School, CHIYYEDU – A.P.

EXPERIENCE :

❖ Software Developer Intern | [Meebuddy Pvt.Ltd](#)

Feb-2024 – Present

- Developed and maintained web applications using modern frameworks and technologies, enhancing user experience and functionality.
- Collaborated with cross-functional teams to design, develop, and deploy scalable software solutions.
- Assisted in debugging and troubleshooting issues, ensuring optimal performance and code quality.
- Used Technologies : HTML, CSS, JavaScript, ReactJs, ReactNative, Angular, NodeJs, SQL and PHP.
- Managed version control using GitHub.

❖ Community Manager Intern | [Nblik](#)

- I have completed the virtual Community Manager Internship offered by NBilk for 1 month.

❖ Java Programming Intern | [InternPe](#)

- I have completed the virtual Java Programmer Internship offered by InternPe for 1 month.

PROJECTS :

○ Restaurant Website Project :

- Designed and developed a responsive restaurant website using HTML, CSS, JavaScript, and React, enhancing user engagement and accessibility.
- Implemented an online reservation system and interactive menu, improving customer convenience and increasing bookings.
- Integrated third-party APIs for real-time updates on special offers and events, enhancing user experience and retention.
- **Project Link:** <https://github.com/Sathishnaik786/Restaurant.git>

○ Library Management System (LMS):

- The **Library Management System** is developed to transform manual offline workload into an online automatic system.
- It contains all the main features such as adding and managing students, and books while efficiently maintaining their data.
- It also contains other security features such as **Captcha Verification** and **Password Encryption**.
- It is a complete LMS with all the necessary functionalities. It also provides a feature to **generate reports** and **manage fine**.
- **Project Link:** https://github.com/Sathishnaik786/Library_Management_System.git

○ Fake Currency Detection With ML :

- Implemented machine learning algorithms for fake currency detection, achieving an accuracy rate of 100% through Convolutional Neural Network (CNN) model, training and validation.
- Developed a robust anomaly detection system using ML, significantly reducing false positives and improving the overall efficiency of currency authentication.
- Collaborated with a cross-functional team to integrate the fake currency detection model into a real-world application, demonstrating strong teamwork and project management skills.
- **Project Link:** <https://github.com/Sathishnaik786/FakeCurrencyDetectionUsingCNN.git>

ACHIVEMENTS:

- I have been serving as Class Representative for 4 years.
- Successfully organized our university farewell & team lead in the University Admission process for 4 years.
- I have served as a Volunteer in NSS & University Tech Fest.
- Currently serving as a supporting member of the Placement Cell.

SKILLS :

- Proficient** in Java, HTML, CSS, JAVASCRIPT, Angular JS, ReactJs,ReactNative ,WEB DEVELOPMENT, **Full Stack**, **Data Science**, UNIX OS, and Shell Scripting.
- Certified** in **Java, SQL, HTML, and CSS**.
- Have good knowledge of core subjects like **OS, Computer Networks**, etc.
- Exceptional presentation skills and strong leadership skills Exceptional Communication skills in both written and verbal both.
- Able to give the best result in pressure situations.

HOBBIES:

- Public Speaking, GD on social issues.
- Curiosity in learning new technologies.

PERSONAL DETAILS :

- Current Address:** D.NO: 6-76, Village: Palabhavi, Mandal: Rapthadu, Dist: Anantapur, AP, Pin Code: 515641.
